

Journal of Hereditary Tumors

Vol. 23 No. 1 June 2023

CONTENTS

Special Articles

- Preface for special articles
..... Koji Tanakaya, Toshiyoshi Fujiwara.....1
- Hereditary breast and ovarian cancer and the national health insurance in Japan
..... Akira Hirasawa.....2
- Growths of HBOC genetic medicine
..... Reiko Yoshida.....6
- The management of pancreatic tumor in hereditary breast and ovarian cancer syndrome
..... Kodai Abe, Minoru Kitago, Yusuke Kobayashi, Kenta Masuda, Tomoko Seki, Takeo Kosaka,
Ikumi Ono, Kumiko Misu, Kohei Nakamura, Tomoka Uchida, Ken Funakoshi, Mari Takeuchi,
Kenjiro Kosaki, Daisuke Aoki, Yuko Kitagawa 12
- HBOC treatment and fertility preservation
..... Masamichi Takae, Sunao Suzuki.....17

Lecture

- Cooperation between hospitals and clinic of *BRCA* genetic testing for hereditary breast and
ovarian cancer syndrome
..... Miki Nagatsuka, Masami Matsuzaki, Naoto Katagata, Yousuke Katsube, Tadashi Nomizu.....22

Case Reports

- Characteristics of early brain metastasis in *BRCA1* mutation-positive patients
..... Michiko Harao, Kotone Gando, Kasumi Ogihara, Yumiko Sasaki, Saki Nishida,
Satomi Shiba, Masako Sakuragi, Yoshiko Yanagisawa, Joji Kitayama,
Naohiro Sata.....27
- Lost opportunity for genetic counseling cause a delayed diagnosis of male breast cancer whose
sibling has a *BRCA2* pathogenic variant: a case report
..... Masami Hattori, Hitomi Mori, Satoshi Onitsuka, Sanshiro Hatai, Sho Endo,
Katsuya Morimatsu, Takaharu Yasui, Naoki Yamanaka, Hideo Kuroki,
Nobuhiko Sasaki, Kazunori Yokohata, Nobuhisa Kameoka, Hiroo Kawano,
Yuji Nakafusa.....33
- Breast cancer recurrence in a spared nipple areola 15 years postoperatively NSM in a woman with
BRCA2 pathogenic variant: a case report and literature review
..... Michiko Yamashita, Taichi Sakagawa, Kenji Niiyama, Kana Taguchi, Yoshiaki Kamei,
Etsuko Fujimoto, Erina Ozaki, Mariko Eguchi.....38

Clinical Experience

- Follow-up of patients who did not prefer for genetic testing after hereditary breast and
ovarian cancer syndrome pre-counseling
..... Megumi Uchida, Takayo Kobayashi, Toru Ishikawa.....44
